A Sports Highlight.....

For many years there has been a quiet little Industrial Youth Dart League that has been run in the Branch on Saturday Mornings. Year to year the #'s of youth have varied but there has been many that have come back to play in the Branch, join as Members and play in the Legion Sports program.

They have always played in the Legion Youth Dart Tournaments at the District level and have very often qualified to have youth move on to the Provincial level. Last year the Youth Team also joined the Darts Ontario organization. Although the Legion Tournament has been postponed this year. The youth represented Georgetown very well at Darts Ontario both at the District and Provincial tournaments. The youth have always been very highly complimented at any tournament for their Sportsmanship and Manners. We are very proud of this group of youth and look forward to playing with them as adults!
