

Branch 120 News

We know that everyone understands that following the Government and Public Health Unit mandates are not the decisions of the Branch Executive.

We would like to re-iterate the current Covid Policies in place:

All Patrons must be double vaccinated and provide proof
and ID to the Bar Steward upon entry.

Masks **MUST** be on when standing, we have also been advised that
Inspectors are coming around, No Masks = Big Fines for the Branch,
please respect this policy.

We need your help...
