

# *Branch 120 News*

Branch 120 would like to thank all of our Comrades, Members and Friends for the wonderful patience that has been displayed during the Province-wide shut downs.

We know that everyone understands that following the Government regulations were mandatory and not the decisions of the Branch Executive.

We would like to remind everyone of the current COVID Safety Protocols in place:

All Patrons must be double vaccinated and provide proof and ID to the Bar Steward upon entry.

It is still a maximum of 50 patrons in the Clubroom.

Masks MUST be on when standing, we have also been advised that Inspectors are coming around, No Masks = Big Fines for the Branch.

Please respect this policy.

## **Message from the President – Jack Mackay**

Dear Comrades,

We have now passed another Thanksgiving in Canada, thankful to those that gave the ultimate sacrifice or served in the Armed Forces so we could enjoy our freedoms. May we always live in peace.

Here at Branch 120, your Executive has been working hard on your behalf. We have had many compliments on the improvements on the Branch and are continuing to work on more. We have recently had our Zone Command Inspection. The Inspection was under the direction of Zone Commander Bob Borre. The Inspection went well and the Branch received an excellent report from Zone Command!

Our Financials are in good shape thanks to Branch Treasurer, Greg Mayberry and the Financial Review Chair, Dan Edwards. Our Poppy Chair, Ray Clarke gave a positive report for 2020 and with your help, we look forward to a positive report for 2021.

Be an Early Bird! You can renew your Membership at the Branch or the Membership drive on Sunday November 21st from 12:00 to 2:00 p.m.

We should all take pride in Branch 120. Positive thinking and let's work together. When was the last time you said "Thank-you" to a Branch 120 Volunteer? They all give time to our Branch. This Executive volunteered for ONE year, but circumstances beyond our control has had us here for three years. Your time is coming, when Elections can be held when permitted by Provincial Command.

Thank-you to those who visit the Branch and to all of you for your support.

Jack MacKay

## RCL Branch 120

was pleased to have the first event we could host be the reception  
for the Park Dedication in honour of

## Henry Thomas Shepherd

Halton Hills recognized and paid tribute to an important part of its heritage  
re-naming the park on Dayfoot Drive in honour of  
Henry Thomas Shepherd.

Shepherd was Georgetown's first Black fire chief, a position he earned after a  
being a longtime member of the volunteer fire brigade. Shepherd was also a  
member of the Lorne Scots and a founding member of the  
RCL Branch 120 Georgetown Legion.
