

Branch 120 News

A Message from your President

I take this opportunity to wish all members a healthy and prosperous New Year. We made some good strides in 2024 and hope to accomplish more goals and projects in 2025 that will benefit our Branch and its members. Highlights from 2024 included a well-managed successful Poppy Campaign, good support of our Remembrance programs and ceremonies, and a well-received Youth Ed contest program and awards ceremony. We experienced a growing interest and participation in various Sports activities available in the branch. Ways & Means was on a roll with its weekly meat draws and popular choices in music entertainment, culminating with the ever-so-enjoyable NYE Party that carried much enthusiasm and cheer from 2024 into 2025. Congrats to members and volunteers that made 2024 a success and let's keep the momentum going! In 2025 we have some existing plans and changes to be finalized/implemented. One priority is the project management and timeline schedule to start and finish the kitchen renovations. We look forward to receiving formal acceptance in Jan of our long awaited Branch regulations amendments. In closing I encourage continued dialogue between Members and Executive regarding ideas and suggestions that can make our Branch a better place to be in 2025.

Yours in Comradeship
Dave Ormiston
